Spread of COVID-19 due to poor hygiene and infection control	H	<ul style="list-style-type: none"> Current government guidance is being applied, and specifically the 9 PHE system of control measures set out in the latest government guidance are in place as follows: <p>1. Minimise contact with individuals who are unwell by ensuring that those who have coronavirus (COVID-19) symptoms, or who have someone in their household who does, do not attend school</p> <p>The information below is included in the school's reopening plan. This information is issued at staff and pupil briefings and in letters home to parents:</p> <ul style="list-style-type: none"> Anyone with symptoms must remain at home and self-isolate for 7 days from testing positive. Anyone in their household needs to self-isolate for 14 days (including siblings). Any pupil or staff member needs to go home immediately if they have symptoms. They should take a test as soon as possible. A child with symptoms awaiting collection needs to be isolated and kept at a distance of 2m from the supervising staff member, ideally in a well-ventilated place. PPE is required if this distance cannot be maintained or there is a risk of contaminated bodily fluids. If the child uses the bathroom, it must be thoroughly disinfected before use by anyone else. Everyone must wash their hands thoroughly for 20 seconds with soap and running water or use hand sanitiser after any contact with someone who is unwell. The area around the person with symptoms must be cleaned with disinfectant after they have left to reduce the risk of passing the infection 	Y	<ul style="list-style-type: none"> Temperature testing of all staff and visitors to site prior to entry to buildings. Infection control training is arranged for new staff. <p>2. Clean hands thoroughly more often than usual</p> <ul style="list-style-type: none"> Handwashing / sanitising is scheduled into the school day. It takes place as a minimum: when pupils, staff or visitors enter the school; at break; before and after lunch; before leaving school; whenever the toilet is used. It is defined which bubbles are using which toilets and sinks. Handwashing routines are re-taught to pupils using suitable video. Checks are scheduled during the day on stocks of hand sanitiser, soap and paper towels. Steps are taken to ensure that there is sufficient supply in school. <p>3. Ensure good respiratory hygiene by promoting the 'catch it, bin it, kill it' approach</p> <ul style="list-style-type: none"> Posters are downloaded/made/bought that remind pupils and staff about the approach and the importance of handwashing and are displayed around the school, particularly by washbasins/ toilets and at entry/exit points The location of bins around the school is checked on, and more are ordered if necessary. A schedule for bins to be emptied / disinfected is in place and is adhered to. Pupils using public transport are reminded of the need to wear face coverings/masks. A 2m distance between the bubbles is maintained when 2 or 3 classes/ bubbles (from the same year group) are together in the same space • Pupils are taught in age appropriate ways about coronavirus, how it is spread and how they can play their part in keeping everyone safe. • For each class/bubble, basic equipment (such as pen/ pencil/ eraser/ ruler) that pupils routinely need is collated and kept in named trays. Each pupil keeps their tray of equipment for their own use. • Resources are boxed, including library books, that are needed for particular classes, to avoid pupils using shared areas such as the school library. 		<ul style="list-style-type: none"> • Monitor enhanced cleaning schedule undertaken by cleaners by Operations Manager & review • Keyworker and staff working across both sites timetabled to minimise contact, maintain social distancing and number of staff on site. • Remote working for non-specific site staff • InVentry signing in logs • Individual risk assessments for keyworkers and staff working between sites to be completed w/c 31st August 2020 • A spare set of standard equipment can be made available to any pupil who does not have their own equipment and after use thoroughly cleaned and isolated for 72 hrs before being used by another pupil

Routes are clearly marked with appropriate signage. • Appropriate signage and floor markings are in place to protect reception staff so that they can remain at a distance of 2m from any visitors. Where possible, they are further protected by screens. • Dining area layouts are configured to ensure separation of diners. Tables/chairs are cordoned off where distancing is not possible. • Breaks are staggered (where necessary) and designated areas are used by particular groups of pupils during social times (both inside and outside the building). • Pupil behaviour policy has been reviewed and updated in light of the new discrete class group bubble arrangements and social distancing with clear sanctions in place for anyone ignoring or deliberately flouting the rules, including exclusion where required. • Senior management closely monitor compliance with the bubble arrangements and social distancing and adjust procedures where necessary.

If the test is positive this may mean sending other pupils in the bubble home to isolate together with staff members who may have been in close contact as defined in the latest government guidance (families of staff/pupils without symptoms do not need to self-isolate unless the staff member/pupil develops symptoms). • Staff, pupils and parents have been briefed regarding the need to self-isolate with symptoms or if anyone in household has symptoms in accordance with the latest government guidance. • Procedures are in place to ensure that staff, pupils or visitors do not enter the school if: they have COVID-19 symptoms/ live with someone who has COVID-19 symptoms / have been told to self-isolate by a healthcare professional until is safe to do so according to the latest government guidance. • Any staff/pupils who become unwell at school must be isolated immediately and sent home as soon as possible with arrangements made for them to take a test under NHS Test and Trace. • A room and separate toilet have been designated to accommodate any suspected case whilst they are waiting to be collected. Additional spaces have been identified in the event of multiple simultaneous cases arising. • Arrangements are in place for staff supervision of any pupil displaying COVID-19 symptoms (2m distancing should be observed and where this is not possible, they should wear suitable PPE). • Staff and pupil absence related to COVID-19 is monitored and carefully tracked so that no pupils or staff are accepted back into school before the incubation timeline has elapsed as set out in the latest government guidance. • Arrangements are in place to notify the Trust/Local Authority of any pupils or staff who test positive for COVID-19. • Pupils suspected of having COVID-19 will be sent home until 	Y	<ul style="list-style-type: none"> • Operations Manager to liaise with Trust to update 	Y	M
